

Arlington Partnership
For Affordable Housing

Fill a backpack for an Arlington Public School student!

Every APS student from grades K-12 needs school supplies to begin the year. Please consider filling a backpack (or 2!) for students who call an APAH community home.

How Does It Work?

It's Simple!

Choose a grade level from our student list.

Follow the guidelines for the school supply list specific to the grade and the school.

Fill a brand-new backpack with the supplies and drop it off at APAH headquarters on the designated dates. The average cost for a brand new backpack with supplies can range from \$50-\$70.

A Good Project for Groups? YES!

If you are part of a church, civic or social group, a scout troop or leader, or a company that gives back to the community, recruit friends, members, and co-workers, and fill multiple backpacks that will serve an entire APAH community.

Looking to Earn Volunteer Hours?

Manage a backpack and supply drive with your group and earn APAH volunteer hours.

For more information, to see the list of backpack/supply needs, and to fill a backpack (or 2!) contact Julie Booth, Volunteer Program Manager, at jbooth@apah.org or 571-800-6462.

Thank you!!
