## **The Arlington Partnership for Affordable Housing Hires Vice President of Real Estate Development and Director of Community Resources and Relations**

Arlington, VA (October 27, 2015) – The Arlington Partnership for Affordable Housing ([APAH](#)) announces two new senior staff members who are joining the APAH team: Peter Engel, Vice President of Real Estate Development, and Cheryl Ramp, Director of Community Resources and Relations. “We are honored to welcome Peter and Cheryl to APAH. We are excited to add their commitment to affordable housing and valuable experience to forward APAH’s mission in the community,” said Nina Janopaul, APAH President/CEO.

As Vice President of Real Estate Development, Engel will lead APAH’s real estate development team and is responsible for implementing APAH’s strategic goal of growing its real estate portfolio by at least 600 units in the next three years. Engel brings more than 20 years of affordable housing and community development experience to this position, particularly in data-driven initiatives and creative financing across a wide range of communities. Prior to joining APAH, Engel served as Deputy Commissioner for Project Finance and Development for the Housing Authority of Baltimore City and the Baltimore Department of Housing and Community Development. He is a founding board member of both the Baltimore Regional Housing Partnership and the Columbia Downtown Housing Corporation.

“I have worked to develop affordable housing in various capacities on the state and local level. I am very excited for the opportunity to continue the important work at APAH,” said Engel.

As Director of Community Resources and Relations, Cheryl Ramp is responsible for raising funds through grants, individual contributions and special events and for building awareness and support for APAH and its mission in the community. Prior to this position, Ramp served as Executive Vice President and Chief Operating Officer of the Stimson Center, a leading nonpartisan policy institute recognized with a MacArthur Foundation 2013 “Institutional Genius” Award for Creative and Effective Institutions. Cheryl brings over twenty-five years of experience in donor relationships, expanding and diversifying revenue streams, strategic communications and program management.

“I am delighted to join APAH as a way to bring together my professional abilities and civic interests to help make meaningful and lasting contributions to the community I love,” said Ramp. “I look forward to helping APAH strengthen and grow its already strong communications and fundraising programs.”

L-R: Cheryl Ramp and Peter Engel.
