

Fill a Backpack and Fulfill a Need

From kindergarten to 12th grade, students need basic school supplies that many families cannot afford to buy. Our goal is to ensure that every student who calls an APAH community home has the supplies they need to begin the school year.

How Does It Work?

- 1** Choose a grade level (K-12) and fill a new backpack with the supplies from the list.
- 2** Contact Julie Booth, jbooth@apah.org to share your backpack donation commitment.
- 3** Drop off your filled backpack at a designated APAH community the last two weeks of July.

You can also help by sharing this donation opportunity with your neighbors, employer, faith community, and your social networks.

Thank you!
