Give from the Heart

holiday gift drive 2018

Gift giving, especially during the holiday season, is a universal way of showing love, connecting with others, and sharing traditions. For families challenged to make ends meet, giving gifts is often not an option, even during the holidays.

We are collecting toys and gifts for children ages newborn-18 who call an APAH community home. Donated items will make up a holiday gift shop that will allow parents to choose a gift for each of their children. Your donation will ensure that all children receive a gift during the giving season.

How can my company help?

Display APAH gift tags at your office. Encourage staff to “adopt” a tag and purchase an age appropriate gift. Collect the donated items and deliver them to APAH on designated drop off dates.

Commit as a company to collecting a certain number of gifts by age group, encouraging a committee of staff members to lead the drive.

Display our gift drive flyer in your newsletter and on your office bulletin board to encourage individuals to participate and share the program information.

Ready to give?

For more information, to “adopt” gift tags, or to receive a commitment form, contact:
Julie Booth at jbooth@apah.org or 571-800-6462.

What is the need?

Donations of new, unwrapped gifts
in the \$25 range for:
