We will contact applicants in the order in which they applied in small groups and will provide each applicant in that group with a 48 hour time frame to come to our office and apply for the apartment being offered. At this time, if you cannot or do not wish to move forward with applying for the apartment, your name will be removed from our waitlist. If you would like to be placed back on the list, you would be required to complete a new waitlist application. If more than one application is received from the group of applicants called, we will allow the applicant who enlisted on our waitlist first (by application date) to move forward with the apartment and the other applicant(s) will be placed on a 'next in line' position for the next available apartment.

Please note that this waitlist application expires 6 months (180 days) from the submission date. If you have not yet been contacted and you would like to remain on the list, you must contact the leasing office PRIOR to the expiration date listed below and inform management that you would like to continue waiting. By doing so, your waitlist application will be kept in line and you will receive a new expiration date. If you fail to contact the office before your waitlist expires, your application will be removed and you will need to submit a new waitlist application if you would like to be added back. Please remember that it is your responsibility to update the leasing office with any changes in your contact information to avoid losing your place on the waitlist. We cannot provide applicants with estimated waiting times and ask that you remain patient until one of our leasing consultants contacts you. Your contact information may be shared with other S.L.Nusbaum properties. However, if you would like to be added to another property's waitlist, you will need to contact the respective property directly.
